# Florida Lodge of Research Masonic Lecture Series

A Called Communication  
Open to All Master Masons

## Building Better Builders

With Brother Dr. John S. Nagy

Freemasonry points us toward self-improvement using Signs, Symbols, and Allegories found within our Ritual. Some improvements are clearly articulated, while others are hidden in plain sight. In this Uncommon Masonic Education program, Brother Nagy introduces you to many overlooked structures found throughout our ritual, and shares Further Light on how they provide important insights that help us live our lives as Better Men and Masons.
